NANO futures today has 934 members.

~35% of them are from industry and industry associations.

Did you know you can...

- ... build business one2one or discuss in the WG forums with other members?
 - ... contact the regional and local lighthouses for support?
- ... run your own polls and get feedback from the *NANO*ofutures** members?
 - ... search for companies by keywords and other criteria?
 - ... learn about the members and their background?
 - ... invite new members by just one click?
 - ... promote your work at web and in newsletters?
- ... keep informed about the activities in the community you are interested in via email?
 - ... all this free of charge!
